NEXT PRODUCTION

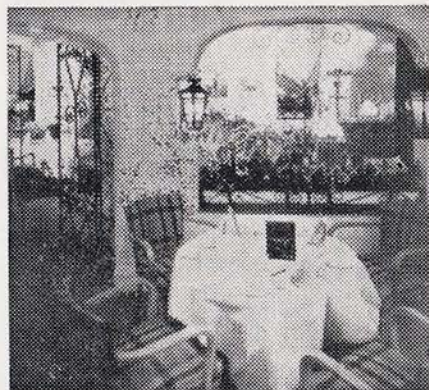

For the second play of the Season we have chosen
"THE FRENCH MISTRESS" a comedy by Robert Monro.

The story concerns the arrival of a young and attractive French Mistress, Lisette, at an English Public School. The even tenor of life at Marshdown College is disrupted in a big way, and when the head boy succumbs to a bad attack of calf-love, Lisette's suitability for the post is questionable, to say the least. But when the Headmaster's son, one of the assistant masters, falls head over heels in love with her, and the Headmaster himself remembers a youthful indiscretion of his own during a climbing holiday in France, more complications ensue. The head boy's father, a cricketing Colonel who is a Governor of the school, helps to restore order, but not before some highly diverting situations have occurred.

This comedy is ideal entertainment for the whole family.
